In re Application of  
HAEBERLI  
Application No. 09/684,595  
Filed: October 5, 2000  
Attorney Docket No. 11087-017001

DECISION  
ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed October 4, 2006, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed, July 28, 2005, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on October 29, 2005.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D).

The instant petition does not satisfy requirements (1) and (3). The petition states "[t]he proposed response in the form of an election is forwarded with this Petition." However, no response has been located in the record. Moreover, the non-final Office action of July 28, 2005 does not include a restriction or an election of species requirement, for which an election is required. Please also note that the required reply must be a formal reply and not a "proposed" response.

Regarding requirement (3), 37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." The statement appearing in the petition varies greatly from the language required by 37 CFR 1.137(b)(3) and any renewed petition must include a statement of unintentional delay tracking the language set forth in 37 CFR 1.137(b)(3).

The Office improperly accepted the Power of Attorney filed on April 19, 2005. In order to request or take action in a patent matter, the assignee must establish its ownership of the patent to the satisfaction of the Director. In this regard, a Statement under 37 CFR 3.73(b) must have either: (i) documentary evidence of a chain of title from the original owner to the assignee (*e.g.*, copy of an executed assignment), and a statement affirming that the documentary evidence of the chain of title from the original owner to the assignee was or concurrently is being submitted for recordation pursuant to § 3.11; or (ii) a statement specifying where documentary evidence of a chain of title from the original owner to the assignee is recorded in the assignment records of the Office (*e.g.*, reel and frame number). The power of attorney filed on April 19, 2005 does not include one of the above two options. In fact, the Office does not have any record of an assignment of the above-identified application from the named inventor to Shutterfly, Inc. A Statement under 37 CFR 3.73(b) should be submitted to complete the Power of Attorney filed in April 19, 2005. See the enclosed PTO/SB/96.
